# **The 4<sup>th</sup> International Academic & Cultural Exchange 2021**

# **IACE 2021**

## PREFACE

International partnerships among universities are beneficial to all, ranging from students to staff. The rate of internationalization is increasingly rapid due to various communication channels and inexpensive travel. Evidently, most universities across the world are already seeking to make the most of the possibilities by forming global partnerships and fostering relationships with other institutions. This effort mainly aims to promote students' and staff's potential and to strengthen culture as well as the relationship among university networks.

Forming international university partnerships offers students an opportunity to learn not only academic and cultural aspects but also life skills. Additionally, it enables universities to better understand the culture of other nations, thereby facilitating their marketing success there.

The 4<sup>th</sup> International Academic & Cultural Exchange 2021 (IACE 2021) is annually organized by Thepsatri Rajabhat University (TRU) in order to provide students and staff from our university networks with valuable opportunities to present and exchange their learning and working outcomes.

Hopefully, the 4<sup>th</sup> International Academic & Cultural Exchange 2021 will be successful and productive for all participants and bring such strong friendship among the universities.

## INTRODUCTION

Thepsatri Rajabhat University has been organizing an international competition since 2013, starting from an international English speech contest, in which more than 40 contestants from ASEAN countries cordially participated. Furthermore, an international academic conference and a cultural exchange among participating universities from Thailand, Malaysia as well as Indonesia were, in the following years, successfully organized, respectively. Realizing the importance of partnerships at both national and global levels so as to strengthen academic cooperation, considered as a whole as advantageous to staff and students, and such awareness of cultural harmonies, Thepsatri Rajabhat University is organizing the 4<sup>th</sup> International Academic & Cultural Exchange 2021 (IACE 2021) from February 17<sup>th</sup> – 18<sup>th</sup>, 2021, aiming to authentically widen and promote students' and staff's knowledge as well as expertise in terms of education, economy, technology, culture, and other essential related areas.

The 4<sup>th</sup> International Academic & Cultural Exchange 2021 (IACE 2021), to be mainly organized at Thepsatri Rajabhat University, comprises the 7<sup>th</sup> International English Speech Contest, the 3<sup>rd</sup> Student International Project Competition, the 5<sup>th</sup> Student International Cultural Exchange, and the 1<sup>st</sup> Online/Onsite Seminar on "Education in New Normal Era", which all interested individuals can freely select according to their fields of study and interests.

Last but certainly not least, we do hope you would find this international event valuable as well as interestingly beneficial and eventually decide to be a part of this memorable academic achievement with us.

**THE 7<sup>th</sup> INTERNATIONAL ENGLISH SPEECH CONTEST FOR  
RAJABHAT AND ASEAN UNIVERSITIES  
Thepsatri Rajabhat University, Thailand  
17<sup>th</sup> February 2021**

## **I. INTRODUCTION**

Over a decade, ASEAN has been increasingly recognized by peoples in Southeast Asian nations as a large number of such public and private organizations have been deliberately preparing their members, with an emphasis on raising their awareness in regard to effects of becoming one of the founding members of the ASEAN Community. Apart from a particular focus on ASEAN knowledge, the English abilities of citizens in each ASEAN country are considered as equally crucial since this language has been used widely as an international means for global communication.

Inasmuch as English is reasonably essential and apparently required as concisely mentioned, not only do ASEAN universities beneficially offer English courses to students, but they also provide them with extracurricular activities, especially exchange events and competitions among educational institutions, to enhance their English proficiency and personal interactions. For this reason, Thepsatri Rajabhat University (TRU), a local public university in Thailand, is organizing an international English speech contest for those ASEAN universities in order to principally promote sustainable relationships, eventually leading to *invaluable exchange of experiences* in terms of ASEAN languages, cultures, and traditions between Thai and other ASEAN students.

## **II. PURPOSES**

3. Contestants will deliver their speeches in the order determined by drawing lots, which will be announced on the bulletin board in front of the auditorium.
4. Each contestant must make a speech without any audio-visual aids or equipment and submit extra copies of speech scripts to the judges.
5. Speech contest criteria
