Dear University Leaders,

Greetings from UI GreenMetric!

I am writing to invite you to write a paper and participate at the 8<sup>th</sup> International (Virtual) Workshop on UI GreenMetric World University Rankings (IWGM 2022) in collaboration with the National Pingtung University of Science and Technology (NPUST) on 27-29 September 2022. Due to the Covid-19 quarantine policy which requires quarantine period to enter Taiwan, this event will be held online on Zoom Meeting and UI GreenMetric YouTube Channel. The theme of this event is "Collective Actions for Transforming Sustainable Universities in the Post-Pandemic Time". A term of reference is attached.

In the paper you could share your university best practices in managing one of UI GreenMetric indicators such as setting and infrastructure, energy and climate change, waste, water, transportation and education for our participants.

For selection purposes, you could submit your abstract on **22 August 2022** and your full paper on **12 September 2022** at the following link (<https://iwgm.ui.ac.id/call-for-papers-2022/>). The template of the paper to be presented can be found in the attachment. The scientific committee will select the abstracts and full papers and decide which ones will get the opportunity to be presented and exhibited. The UI GreenMetric Secretariat team will notify submitters/authors of their conference participation opportunities. Accepted papers will be published at IOP Science.

There is no registration fee for all participants and selected papers. To participate, please register at <https://iwgm.ui.ac.id/registration-form-2022/>. All participants need to be registered for our administration purpose, so that the organizer can send you more information.

Please contact Miss Carina Chou at [carina1993@mail.npu.edu.tw](mailto:carina1993@mail.npu.edu.tw) and Miss Sabrina Hikmah Ramadianti at [greenmetric@ui.ac.id](mailto:greenmetric@ui.ac.id) and visit at <https://iwgm.ui.ac.id/> should you need more information about IWGM 2022.

I am looking forward to hearing your participation and to meeting you online.

ขอบคุณมาก,  
11:51:00 AM

Yours Sincerely

Prof. Dr. Rini Fitri Sari, M.Sc., MM.  
Chairperson of UI GreenMetric World University Rankings

Collective Actions for Transforming Sustainable Universities in the Post-Pandemic Time  
27-29 September, 2022 | National Pingtung University of Science and Technology

**IWGM 2022**

The 8th International Workshop on UI GreenMetric University Rankings

**THE 8<sup>TH</sup> INTERNATIONAL (VIRTUAL)  
WORKSHOP ON UI GREENMETRIC  
WORLD UNIVERSITY RANKINGS  
(IWGM 2022)**

*“Collective Actions for Transforming Sustainable Universities in the Post-Pandemic Time”*

27-29 September 2022

National Pingtung University of Science and Technology (NPUST)  
Chinese Taipei

**Term of Reference**

## A. Background

For the past 12 years, UI GreenMetric has become one of the flagship programs of Universitas Indonesia that ranks universities around the world according to appointed indicators of campus environmental sustainability issues, such as setting and infrastructure, energy, waste management, water, transportation, and education. This ranking is one of the university's efforts in promoting sustainability in campuses and also in involving stakeholders in any kind of effort to create a sustainable environment.

UI GreenMetric has a strong commitment to become a global platform for university students in the world to become active players in addressing the environmental challenges facing the world today. With the principle of mutual cooperation and sharing experiences, UI GreenMetric aims to raise awareness of universities as agents of change for a better world. The ranking is conducted through an online questionnaire system in which each university provided data about sustainability indicators. The data then automatically processed into a ranking.

This program has been conducted since 2010, the participation of universities around the world continue to increase. In 2010, approximately nearly 100 universities from 35 countries participated in the UI GreenMetric. In 2021, there are 956 Universities from 80 countries. The increasing number shows that this program can grab the attention of many universities throughout the world.

During the ranking process, many universities performance in UI GreenMetric have been improved. In order to increase the performance of each university in UI GreenMetric, universities need to share their sustainability's achievement and current condition in a forum. 956 universities in UI GreenMetric Network are good examples of how sustainability policies can be implemented in universities in some respects such as setting and infrastructure, energy and climate change, waste and water management, transportation and also education. These universities can share information about the implementation of sustainability policies in each university.

## B. Purpose

International Workshop on UI GreenMetric aims to:

1. Disseminate and evaluate the implementation of the UI GreenMetric Rankings in participating universities worldwide.
2. Share information about sustainability to improve the campus by studying some best practices.
3. Provide an opportunity for universities on the top rank in UI GreenMetric to share their university's policy, programs and implementation.
4. Provide an opportunity for cooperation in sustainability management in campuses.

### C. Main Program

The symposium will be opened by the President of National Pingtung University of Science and Technology (NPUST) and Universitas Indonesia or their representatives. Keynote speakers from related ministries or organizations can be invited to the workshop. Speakers are invited to share their universities' best practices in the areas of Setting and Infrastructure, Energy and Climate Change Policy, Waste, Water, Transportation, and Education and Research.

### D. Number of Speakers and Participants

Universities are invited to be participants based on their University's participation in the UI GreenMetric World University Rankings in 2021. Universities with top ranks in UI GreenMetric World University Rankings in 2021 will be invited to speak as speakers. In the previous event, over 216 international delegates from 38 different countries including 51 speakers in parallel session and 23 presenters in poster session.

### E. Name and Theme of Event

Name : *The 8<sup>th</sup> International Workshop on UI GreenMetric World University Rankings (IWGM 2022)*

Theme : *Collective Actions for Transforming Sustainable Universities in the Post-Pandemic Time*

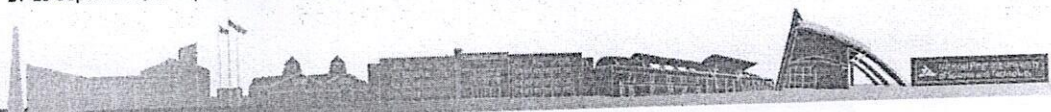

### F. Organizer

UI GreenMetric in collaboration with National Pingtung University of Science and Technology (NPUST).

### G. Date and Venue of Event

Date : 27-29 September 2022

Venue : Zoom Meeting and YouTube Channel UI GreenMetric

## I. Call for Papers (<https://iwgm.ui.ac.id/call-for-papers-2022/>)

Theme: *“Collective Actions for Transforming Sustainable Universities in the Post-Pandemic Time”*

The 8th International (Virtual) Workshop on UI GreenMetric World University Rankings (IWGM 2022) will be hosted by National Pingtung University of Science and Technology (NPUST) on 27-29 September 2022. Due to the quarantine policy needed in Taiwan, this event will be held online on Zoom Meeting and UI GreenMetric YouTube Channel.

This event will provide an opportunity for participating universities to showcase their innovation and best practices relative to the latest issues in the management of setting and infrastructure, energy, waste, water, transportation, education and research in your green campus.

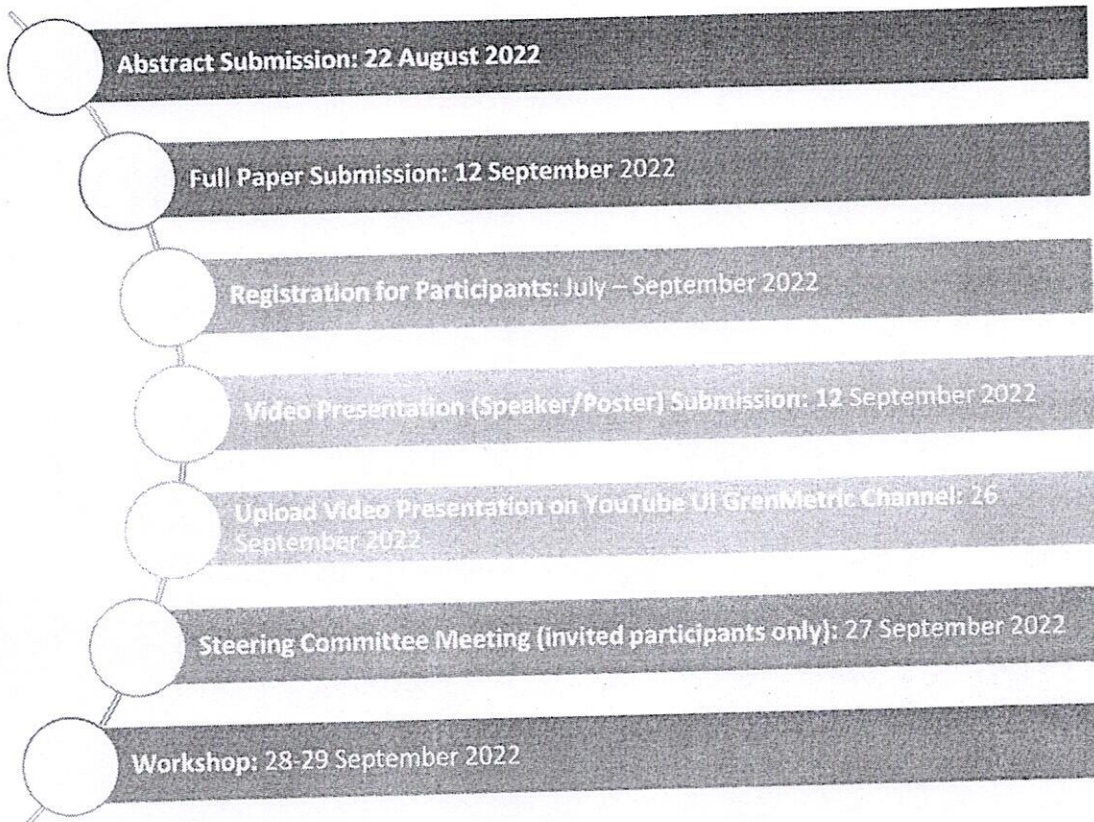

The Organizing Committee hereby invites participating universities to present their papers in the parallel sessions or exhibit their posters in the sessions provided. Interested universities should send their abstracts. The scientific committee will select the abstracts and full papers and decide which ones will get the opportunity to be presented and exhibited. The UI GreenMetric Secretariat team will notify submitters/authors of their conference participation opportunities. Accepted papers will be published at IOP Science.

Please note:

- The presenters and first authors are only for esteemed representatives from universities (rectors, vice-rectors, sustainability directors, deans, respectful professors) for parallel and poster session.
- Abstracts and full papers should be submitted **through the online abstract and full paper submission system**.
- The length of full papers is **5-7 pages**.
- For **Parallel Sessions (by invitation only)**, presenters should submit a presentation (PPT/PDF Version) and video presentation on the submission system. Please check [Guideline of Parallel Session](https://iwgm.ui.ac.id/guideline-parallel-session/) at <https://iwgm.ui.ac.id/guideline-parallel-session/>.
- For **Poster Session**, Poster size: A1 (594 x 841 mm or 23.4 x 33.1 in), we will publish the poster on the website. Presenters should submit a poster (JPG/PDF Version) and a video presentation on the submission system. Please check [Guideline of Poster Session](https://iwgm.ui.ac.id/guideline-poster-session/) at <https://iwgm.ui.ac.id/guideline-poster-session/>.
- The link of **Template of Full Paper** at <https://publishingsupport.iopscience.iop.org/questions/templates-and-guidelines-for-proceedings-papers/>.
