

23 July 2018

Dear Dr. Weerayute Sudsomboon

Thank you for submitting a paper for presentation in this coming 11<sup>th</sup> *International Conference on Educational Research (ICER) 2018: Challenging Education for Future Change* which will be held on 8 - 9 September 2018 at Khon Kaen University. The undersigned is pleased to inform you that your abstract entitled

***"Application of Design Thinking Method to Promote Students Creativity in Rapid Prototyping for Industrial Computer Interactions"*** has been reviewed and accepted for oral presentation.

You will have 15 minutes for presentation and 5 minutes for audience discussion and questions. Electronic devices such as a computer, projector, overhead projector will be provided in the presentation room and, if necessary, someone to help you with the technology. We, then, suggest you to bring your presentation in USB flash drive or in CD-Rom.

You may submit the full paper before 25 August 2018. Please note that abstract and full paper will appear in the conference proceedings. In the conference handbook, only abstract will be published. The conference handbook will be available and distributed at the conference.

Payment of registration fee must be made no later than 31 August 2018, otherwise your paper will be removed from the conference program. Conference and presentation schedule will be announced via conference website.

We look forward to welcoming you in Khon Kaen in September.

Yours sincerely,
